

Valmont Park Homeowners Association
Application for Approval to Replace an Existing Roof

This application must be completed and submitted (with attached supporting information if appropriate) to a Valmont Park Architectural Control Committee (ACC) Member to request approval to replace an existing roof within Valmont Park. The ACC will respond within 30 days of receiving the application form. Please provide sufficient information to enable us to easily contact you. **Prior written approval of the ACC is required for any roof replacement using any material other than shake. No deviations will be permitted.**

Date of Application _____ Lot Owner Name _____

Address: _____ Lot # _____

Email: _____ Home Phone # _____ Mobile # _____

Product information:

Manufacturer: _____ Specific Product: _____

Contractor: _____ License # _____

Note: Suggested roofing materials are contained on the Valmont Park Homeowners Association website under 'Roofs' at <http://www.valmontpark.org/ACC.html> - **Using one of these suggested materials still requires prior written permission from the ACC.** A brochure and sample of the selected product will be helpful and may, at the discretion of the ACC, be required.

Intended Start Date: _____

A member of the ACC must be notified of the actual start date as soon as this is known.

Section 6.3 of the Valmont Park Covenants, Conditions & Restrictions reads:

"All dwellings shall have shake roofs unless written permission is obtained from the Architectural Control Committee."
